KNIT AND NATTER CLUB YEARS 1-3

Dear Parent,

Once again this term, Funky Makers are volunteering to run a lunchtime knitting club for pupils in Years 1-3.

The club, called Knit and Natter, will allow pupils to learn some basic knitting techniques such as finger knitting and loom knitting within a friendly social setting. The materials for this club are funded by Valley Primary School PTA.

The club will take place on Thursday lunchtimes and will be limited to a maximum of 10 pupils. If you would like your child to participate in the club, please complete the reply slip below and return to school at your earliest convenience.

As there is always high demand for this club, any child missing two weeks in a row will be deemed to have left the club (unless it is illness related) and the next child on the waiting list will receive that place.

Kind regards,

Ms Charlotte English
