19th May 2017

Behaviour Award Assemblies - Wednesday 24th May

Dear Parents,
We are holding half-termly Behaviour Award assemblies to celebrate the good behaviour of our pupils on **Wednesday 24th May.**
Following a consultation with school council, it was decided we will trial a reduction in the yellow cards allowed for KS2 pupils. The children were informed of this in the behaviour assembly at the end of last half-term and again in a whole school assembly at the beginning of this term.
Therefore for this term the behaviour certificates will be awarded as follows:

KS2 Pupils: All those pupils who have '**stayed on green**' on their class chart, and have not been given more than **one** yellow card this half-term, will receive a Behaviour Award certificate. Pupils who have had a **red card** or **more than one yellow card** will not receive a certificate and will be supported and encouraged to stay on green next half-term.

KS1 Pupils: All those pupils who have '**stayed on green**' on their class chart, and have not been given more than **two** yellow cards this half-term, will receive a Behaviour Award certificate. Pupils who have had a **red card** or **more than two yellow cards** will not receive a certificate and will be supported and encouraged to stay on green next half-term.

Parents are warmly invited to attend the assembly, which should last approximately 20 minutes. These will take place in the main hall at the following times.

Years 1 and 2: 2.00
Years 3 and 4: 2.30
Years 5 and 6: 3.00

Your child should be able to tell you if they are on track to receive a behaviour award, but the office will contact you via text on Tuesday 23rd May to confirm that your child will receive a Behaviour Award for this half term.

If you are able to attend we look forward to sharing the success of our pupils' behaviour with you.

Yours sincerely,

Mrs Rachel Coulson
Assistant Head
Personal Development, Behaviour and Welfare
