Dear Parent

Every few years, it is good practice for schools to seek the views of parents and carers to further strengthen the Home-School partnership.

In order to capture the latest views of the parent body on the many aspects of school life, a parent survey has been prepared which can be accessed via the school website. For those parents who would prefer to complete a paper version of the survey, copies will be available at this evening's Meet the Teacher event or can be collected from the stand in the Main Reception of school.

Your views really do matter to us in order for the Governing Body and staff to improve on their previous best and I warmly encourage you all to complete this year's survey. Some of the feedback received may be explored further with parents on a one-to-one basis therefore I ask that names are included on the survey forms.

Results will be analysed by Senior Leaders and Governors and will help finalise the programmes for parent information sessions and the Parent-Governor Forums for the year ahead.

I would to take this opportunity to thank you all in advance for taking the time to complete the survey.

Yours sincerely,

Mr Jackson
Headteacher
