## Spring Term Clubs

The extra curricular timetable is now fully established at Valley. Please do get ready to sign your child up to a club.

All the relevant details for the Spring Term clubs can be found on the school's website.

## Happy Christmas

Well, another term has come to an end and I would like to take this opportunity to thank you all for the support you have offered the school in recent weeks helping pupils learn their words for the Christmas productions, making costumes or escorting pupils to and from church for the Key Stage 2 Carol Service. However you choose to spend the festive period, I would like to wish you and your families every happiness and good fortune for 2018.

## Dates for the Diary

## Music in the Community

The school's Brass Band and Choir have been out and about this week spreading festive cheer within the local community. On Monday, the Brass band visited St Cecilia's Residential Home to play a selection of Christmas music. Thanks also go to Mr and Mrs Storey who very kindly supported our young musicians at this event. In the afternoon on Monday, the choir entertained the residents of The Heathers Residential Home

## School Dinners

ABM, the school's catering company have indicated that they are planning to increase the cost of school dinners in the New Year. As I have not yet received official confirmation from the Manager, we are unable to provide the termly dinner money costs. I will write again in early January with an update.

## PTA Thanks

I would like to thank Mrs Scott and her small but dedicated team of PTA volunteers who worked tirelessly to make this year's Christmas Fair another success for the school. The event raised £4,700 for the school. The next PTA event will be the Spring Term

Disco. The PTA are also hoping to run the increasingly popular Film Night in March but a new group of volunteers is needed to run this event. If you would like to get involved, please contact Tanya Scott on: [pta@valley.bromley.sch.uk](mailto:pta@valley.bromley.sch.uk)
