Dear Parents,

### FRENCH CLUB FOR Y2-Y6

French club takes place at your school on Tuesdays 3.30pm-4.35pm. Each term we study a new topic learning appropriate vocabulary but also revising essential core knowledge like counting, greetings, colours etc. We aim to teach the target language with songs, role play, games and activity sheets. Our lesson plans have been put together professionally with young children in mind.

The cost of each session is £6.00, and due to this very long autumn term we will have 12 sessions beginning on Tuesday 18<sup>th</sup> September and finishing on Tuesday 11<sup>th</sup> December. Children new to French club will also purchase the registration pack, cost £15.00, of French downloadable CD with songbook and sticker chart giving our access code to the LCF interactive website: Babelzone. Children who have previously attended will pay a reduced registration fee of £12 giving access to Babelzone and covering insurance whilst at the club.

As this is a very long term and total cost is not insubstantial at £87 for new members and £84 for returning club members, I am giving you the option of paying in 2 stages  
New members: £60 now and £27 on a post-dated cheque (dated 19<sup>th</sup> October).  
Returning members: £60 now and £24 as above.

**IMPORTANT:** You do not need to wait for sign up day on 13<sup>th</sup> September to book this club, you can book it from now onwards directly with me, please email Helen Amos on [helen.amos@ntlworld.com](mailto:helen.amos@ntlworld.com) or call 01689 602293 (you will need to state your name and press # for the call screening system). Maximum number of children is 14 and minimum is 8. Places will be awarded on a first come/first served basis.

N.B. If the club has already started, you will not be invoiced for any missed lessons.

Yours sincerely  
*Helen Amos*
