## **Family Support at Valley**

Dear Parents/Carers,

I am writing to you regarding the Family Support services offered at Valley.

We are keen to hear your views about the service currently offered and would like to know how we can further improve. To help achieve this we have created a short survey, which we would be most grateful if you could complete. Please note that all responses are completely anonymous.

The survey can be found on the main school website [www.valleyprimary.co.uk](http://www.valleyprimary.co.uk) under Parents>Surveys, and also at <http://tinyurl.com/familysupportvalley>

With kind regards,

Mrs Wendy Anderson  
Family Support Worker
