Dear Parents/Carers

Appointment of Headteacher from September 2016

I am sure that you are aware that we began the process for selecting a new permanent headteacher for Valley in August 2015. We completed the assessment yesterday and the recommendation of the Governor interview panel was approved by the Full Governing Body last night.

We shortlisted three candidates for the assessment day – two of whom were experienced, successful headteachers. After a rigorous selection process, Governors are delighted to announce that they have appointed Mr Stephen Jackson as Valley's headteacher, which will take effect from 1st September 2016.

I am sure you will want to join us in congratulating Mr Jackson on his appointment. We are looking forward to working with him in the future to continue to build Valley Primary School into a truly outstanding school.

Yours sincerely

Bill Mitchell
Chair of Governors
